On Wed, Nov 22, 2017 at 11:15 AM, Cameron, Scott wrote: Hi John, Steve Howke has joined PMB as Senior Adviser to the Assistant Secretary. Steve is a new political appointee. His job is going to be grants and cooperative agreement review. We are transitioning that role from Jim Cason, and plan to have a draft new guidance document ready for bureau review in a week or so. As part of his orientation to DOI, I am arranging opportunities for each bureau to spend an hour with Steve to explain the variety of its grants and cooperative agreements, and how you go about making decisions on these form of financial assistance. In terms of your programs, it probably would be smart to give Steve some background on 638 contracting, too, realizing that these arrangements are more like a contract than a grant, but have some characteristics of both. Steve has already met with BLM, FWS, NPS, and Reclamation, and we'd like him to meet with BIA and BIE sometime in the next week or two. Please have the appropriate person on your staff coordinate with Julia or Jean on scheduling the briefing. Thanks, Scott J.
